# Super Converter sample

This sample page contains ordinary paragraphs of text so that extraction, layout analysis and rendering all have something to measure. The second paragraph repeats the idea: quality is measured, not eyeballed.

| Item | Quantity | Price |
|---|---|---|
| Widget | 12 | 3.50 |
| Gadget | 7 | 12.25 |
| Gizmo | 150 | 0.99 |

# Second page

Text on the second page, so page counts and page order can be checked.
