Table 1: Paper sizes in TeX points.

Paper	Width	Height
Letter	614.29	794.97
A4	597.51	845.05
A5	421.10	597.51

Captioned tables

A table with a caption floats as a LaTeX table does and is numbered.

The text continues after the table with a paragraph that is long enough to show where the table was placed on the page.
