Mathematics

Inline formulas such as $a^2 + b^2 = c^2$ and $e^{i\pi} + 1 = 0$ sit on the baseline of the text. Display formulas are centred:

$$\int_{-\infty}^{\infty} e^{-x^2}\,dx = \sqrt{\pi}$$

and sums take their limits above and below:

$$\sum_{k=1}^{n} k = \frac{n(n+1)}{2}.$$
